Letter to Limited Partners

Dear Limited Partners,

We are pleased to present the quarterly report for Cobalt Ridge Buyout IV, L.P. (the "Fund") for the quarter ended June 30, 2026.

In June, the Fund completed the recapitalization of Summit Packaging, returning $58.0 million to limited partners while retaining a 35% stake in the business. The transaction was priced at 11.2x LTM EBITDA, a premium to the Fund's carrying value at March 31, 2026.

Across the six remaining portfolio companies, last-twelve-month revenue grew 9% and EBITDA grew 14% on a weighted basis. Harbor Dental Group and Meridian Fleet Services remain the two largest positions.

We expect to exit two further positions during the second half of 2026 and will update limited partners on process timing at the annual meeting in November.

Sincerely,

Daniel Okoro
Managing Partner, Cobalt ridge partners
